757.357.5182

The Smithfield/Isle of Wight Convention & Visitors Bureau and the Pagan River Raft Race Committee invite you to participate in the **Fifth Ever Re-inaugural Pagan River Raft Race!**

The Race will be held on Saturday June 25th 2011 at approximately 3 p.m. Teams should begin arriving at 2 p.m. but no later than 2:30 p.m. to allow for placement at the starting point (call 757.357.5182 or 757.620.7700 after June 21st 2011 for put-in location). The Race course will be from the Smithfield Station Light House north to a buoy which must be circled then south to a finish line stretched from the Smithfield Station boardwalk to the Old Church Street fishing spot.

There will be 2 categories of rafts permitted:

MODIFIED - any existing floating hull modified so that the original hull is not readily apparent or visible, powered by hand/paddle;

HUCK FINN - any homemade floating vessel powered by hand/paddle.

Race Format: All entrants will first race in their respective categories. Then, the winners of the **HUCK FINN** category and the **MODIFIED** category will race each other, mano a mano, for the title of “King/Queen of the Creek”. The winner of the “King of the Creek” race will have their name added to the existing Raft Race winner plaque on display at Smithfield Station and receive a one-of-a-kind trophy which appropriately reflects their achievement.

Remember, your raft will be an official watercraft. Please ensure there is a personal flotation device available for every person on board. All other rules, regulations, and laws will be in effect (just like when you’re in your regular boat!). Have fun, but be safe.

Entry is open to the general public. The entry fee is \$50.00 per team and includes 4 commemorative T-shirts.

The theme for the 2011 Race is:

“We’re Chasing the Triple Crown!”

We hope that you will design and /or modify your rafts accordingly.

If you have additional questions or would like even more information (not that there is any!) please contact the Smithfield/Isle of Wight Visitors Center at 757.357.5182. Your call will be answered promptly... your question might take a while.

See you on the Pagan!!
