

Prior to entering and using the Dog Park, all dogs must be registered at Town Hall and all owners/handlers must read and agree to abide by the Dog Park Rules. To register your dog: the owner's information, the handler's information (if different) and the dog's information must be submitted on the registration form.

Information for your dog must include the home, approximate age, breed, and City or County of dog license registration. Owners must present written records indicating current dog license and rabies vaccination.

Since this is a community dog park, the town recommends that all users consult their local veterinarian to determine if their pet should receive preventative vaccinations other than those required by the town for dog park usage.

It is our sincere hope that you and your four-legged friends enjoy the Dog Park in the beautiful surroundings of Windsor Castle Park.

Use of the Dog Park shall be at your own risk.

Registration Forms are available at 310 Institute Street, Monday through Friday 9:00 a.m. to 5:00 p.m. and may be downloaded from town website: www.smithfieldva.gov
